

Work Health & Safety Policy

At **SJC Building Group**, a commitment to Work, Health, and Safety is part of the business.

This is achieved through:

- Complying with state OHS legislation; WA OHS Act 1984 and WA OHS Regulations 1996.
- Complying with statutory requirements, codes, standards, and guidelines.
- Setting up objectives and targets with the aim of eliminating work-related incidents concerning our activities, products, and services.
- Defining roles and responsibilities for occupational health, safety, and environment.

Strategies will include:

- Ensuring occupational health, safety, and environment management principles are included in all organisational planning activities.
- Providing ongoing education and training to all our employees.
- Consulting with employees and other parties to improve decision-making on occupational health, safety, and environmental matters.
- Ensuring incidents are investigated, lessons are learned, and effective injury management and rehabilitation are provided to all employees.
- Distributing occupational health, safety, and environment information, including this policy, to all employees and interested parties.
- Providing enough resources to ensure occupational health, safety and environment is a central part of the organisation
- Ensuring trades, subcontractors, suppliers, and visitors acknowledge and uphold all SJC Building Group policies and procedures.
